23 What did you like most about this course?

The presentation of the material was very clear. It is obvious that the professor spent a great deal of time preparing for this class - the lectures were put together quite well.

I was very curious about this topic and I felt like the classes really allowed me to dig in and learn a lot about it. For the areas where I wanted to learn more, I had enough time to dive deeper on my own.

24 What did you like least about this course?

It would have been nice to have more industry guest lecturers, but that's hard to get due to the sensitive nature of the applications.
