23 What did you like most about this course?

I liked how the topics were handled and taught to a variety of students with different backgrounds. The clarity and approach was impressive. Field trips added significant value to the course.

Basically no homework

I liked the different aspects of it and how it appealed to several different majors.

24 What did you like least about this course?

Nothing- by far my favorite class this semester.

I was unsure what was expected of me for the first half of the semester

Incredible instructor, I learned an immense amount of material. He taught with extreme clarity and kept the topics engaging and interesting. Would highly recommend this class and is no doubt one of the best taught classes I have taken at ASU.

As a non science major, I came into this class really wanting to know about digital technologies, but the class was approached by the professor nonchalantly. I believe he had to spend the majority of the time cutting through Barrett bureaucracy to plan things
